## PRESIDENT'S REPORT.

The past season was one in which after a very good start the full potential of our Senior Team was not achieved during the second half. However it was very successful for laying valuable groundwork for what I believe to be a very exciting era in our Club history.

Mr. Bert Haynes started the season as President but was unable to complete the full year and to him - thank you Bert for your significant contribution over so many years.

Congratulations to our Head Coach Greg Elkson for his efforts for the Club both as a player and coach. His value as a pitcher was shown once more when the State Selectors sent him an S.O.S to join the touring Claxton Shield side to bolster our flagging pitching staff.

To our many Sponsors - whether they be Gold, Silver, Bronze or Player Sponsors, thank you for your support. Thank you also to those companies and individuals that advertised in our magazine "Smoke Signals". I urge all members to support these sponsors wherever possible.

Time and space make it impossible to thank all those who have served the Club over the past 12 months. However there are some I would like to specifically mention. Phil White for his untiring work as Publicity Officer and Editor of the "Smoke Signals". Also for his single handed efforts in once more raising so much money for our Club. Steve Baker our, Bar Manager for his competence and long hours spent in making the bar run so efficiently and so profitably. To all members of the Management Committee for carrying out their duties so diligently - thank you sincerely.

Well done to all our trophy winners. They were hard earnt. Special mention to Mrs. Pat Wood our Treasurer and winner of our Prestigious "Indian of the Year" award for her unselfish work for the Goodwood Baseball Club.

Over the last few years the Goodwood Little Indian Pee Wee League has thrived and produced many players for our Junior Teams. Bob Wood and Ian Braddock have proved to be very competent administrators. Jenny Braddock, Des Aldridge and Brian Russell have provided invaluable assistance in arranging Friday night meals (sometimes over 100 meals were served in a night) This has provided the necessary finance to run this competition. To you all - well done.

We are pleased to have John Ryan join the Club for next season as our skills coach. John brings with him a wealth of knowledge and experience of our great game that would be hard to match. Welcome John - its great to have you join us to help get that premiership in our Centenary Year.

Next season shapes up to be one of great promise. This wont eventuate without the support of our playing and non playing members. Lets all get together and show the Baseball fraternity how serious we at Goodwood are to emerge once more in our rightful place as a force in S.A. Baseball.

PRESIDENT'S REPORT Cont.

I am very grateful for all the help and support given to me during this season. To my family and friends - Thank you for this.

GARY HANCOCK

PRESIDENT.

## SECRETARY'S REPORT.

The Management Committee this year again deserve high praise for the manner in which their planning and the deliverance of their policies established a very successful year for the Club. It was unfortunate that Mr. Bert Haynes found it necessary to retire before Christmas as Club President. Mr. Gary Hancock accepted this position and deserves full credit for his leadership in this roll, while still continuing his elected position of Junior Activities Convenor.

Like any other Club, our Club cannot operate without adequate income. Our general running expenses and with the costs we must pay to the S.A.B.L. and for Umpires now amounts to thousands of dollars, these cause a great strain on our resources as detailed in the Treasurer's Report. We are deeply indebted to Mr. Phil White for the revenue that he generated and to Mr. Steve Haynes for his untiring efforts in Sponsorship proposals. All Management Committee Members and those of all Sub Committees deserve a big thank you for their achievements in their particular areas of administration and performance this year.

Our Club also had a notable performance in the playing area. Club Coach Mr. Greg Elkson gained some satisfaction in his first settling in year with us with our Division I team finishing in the top six and with some new faces in the line-up. The other senior teams and the junior teams also proved that Goodwood is becoming a force to be reckoned with in the future.

The Wednesday Night Baseball at Norwood proved fairly successful for it's first year of introduction with the combined sides gaining considerable public and sponsorship support. Our association with Souther Districts was very successful although the Coca Cola Panthers faded out in the finals.

Trophy winners for the 1986/7 season are:-

### Best & Fairest.

Div. I	Greg Elkson
Div. II	Graham White
Div. III	Barry Cuming
Div. IV.	John Searcy
Div. V	Ken Doran
U/18	Craig Doyle
U/16	Justin Searcy
U/14 1	Brenton Chatfield
U/14 2	Brett Thomas

### State Selection.

U/18                      Jamie Bushell

### Indian of the Year.

Mrs. Pat Wood

My hearty congratulations to all trophy winners.

SECRETARY'S REPORT. cont.

My hearty congratulations to all trophy winners.

I sincerely thank the Committee Members for their assistance during my illness last year, and with the Centenary Year fast approaching I urge all Members to get behind their Club in the coming year to enable the Club to stand high in 1988/9.

Jill Baker.

DIVISION I COACH'S REPORT 86/87 SEASON.

This year has seen the start of a new era for the Goodwood Club. The Division I squad can only go up from here. We finished third at the halfway mark but dropped some early season form to end up sixth at the final siren. When all is considered we lost a number of games by 1 run which can be the difference between 6th or 2nd. The finals race was very tight and up until 3 weeks to go we still had a finals chance.

Congratulations to all the player in that team who stuck to their job all year and to those who didn't - you have something to aim for next year. Congratulations to Division 2 who finished in 4th Position after playing a gruelling 12 innings final, you showed it can be done.

There were also some successes during the season including Jamie Bushell and Scott Pratt who were 'pinched' from U 18's. They showed towards the end of the season that they will make good senior squad players. They received invaluable experience this year which will stand them in good stead for next season.

Well done to all those teams who made that finals. It is tough to get there but playing in finals is a different game altogether.

Thank you to Judy and Pat (the scorers), Trevor, Brian and John (the Managers) and all those people off the scene who made this year as smooth running as possible.

With the advent of some new players next season, combined with the talent we already have we will be a force to be reckoned with in 87/88.

Greg Elkson.

## TREASURER'S REPORT

The Club finished the season with a profit of \$772.63 in the cheque account leaving a closing balance of \$5621.13.

The Social Account has a closing balance of \$1089.54, Coaching Account \$89.20 and the Centenary Account \$2738.34.

The Social Committee raised \$11,800. This figure was achieved with Phil White's excellent work and not to mention a lot of his time in raising \$5,900 from the Supporter's Club and Lucky Tickets (including Bingo). Without his effort this season the Club would not be in the financial position it is in. The MAS Raffle netted \$2667.84.

The biggest expenses were S.A.B.L. \$7,185.75, Baseballs \$1212.20 Equipment \$756.50 and C.L.G. Assoc. Levy \$2000.00 and Membership \$2180.00. There are still 5 annual repayments of \$773.04 to be made for the backstop.

There is still a need for stronger support for the Club in the area of Associate or Non-Playing Memberships.

On closing I would like to thank Kerri Fletcher for running the Canteen, Steve Baker for selling chips etc in the bar and the many people who helped in the Kitchen.
